**WE LAUGH LAST**

When it was announced that the proposed conference at Washington, which had been so long postponed, would be the joy of the Canadian annexationists. Their organ, the Toronto Globe, which had been paying the way to such an end by driving our neighbors to hold fast by McKinley's tariff, and holding out to us the best means of securing the Dominion into annexation, imagined that it had succeeded. But the result was a humiliating failure. The result is a humiliating failure. The result is a humiliating failure.

**CLARK HALL, BELLEVILLE.**

**HISTORY REPEATS ITSELF.**

In wall paper as in everything else, once in a while you get a new one.

It is not ten years ago though since the "fad" of papering ceilings was all the rage, and it is five years ago that it is all the rage again. Yet this season there is a very strong demand for papered ceilings, and we firmly believe that papered ceilings will always be fashionable.

How do we know? Well, we tell you.

Economy and common sense have done it.

The world of fashion follows periodically a "fad" and it is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings.

Fashion dictates more severely and draws finer lines in the matter of decoration than in anything else. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings.

As a crane, but as a good by-mot of hard common sense, and it has come to stay. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings.

History repeats itself. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings. It is no wonder that it follows the "fad" of papering ceilings.

Try to remember that economy and common sense have done this for where can you find a better field for decoration in your whole house than a ceiling presents?

Please make a note of this.
